**Campus Visit Schedule**

The Committee on Equal Opportunities is charged with monitoring institutional progress toward implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement with the U.S. Department of Education Office for Civil Rights. The campus visit enables the CEO to observe and evaluate institutional activities through data analysis and discussions with administrators, executives, students, faculty, campus environment teams, and others in the campus community to learn firsthand about the success of equal opportunity plan implementation.

Members of the CEO agreed to schedule campus visits in conjunction with its regular meetings. Also, the committee asked the Council staff to develop an interim schedule to visit campuses of the Kentucky Community and Technical College System.
